A black and white photograph of a rural landscape. In the foreground, there's a road with a small wooden building on the left and a larger structure with a porch on the right. Bare trees stand along the road. The middle ground shows a valley with more buildings and trees. In the background, there are rolling hills under a hazy sky.

For Us

*What is precious is never to forget
The essential delight of the blood drawn from ageless springs
Breaking through rocks in worlds before our earth.
Never to deny its pleasure in the morning simple light
Nor its grave evening demand for love.
Never to allow gradually the traffic to smother
With noise and fog, the flowering of the Spirit.*

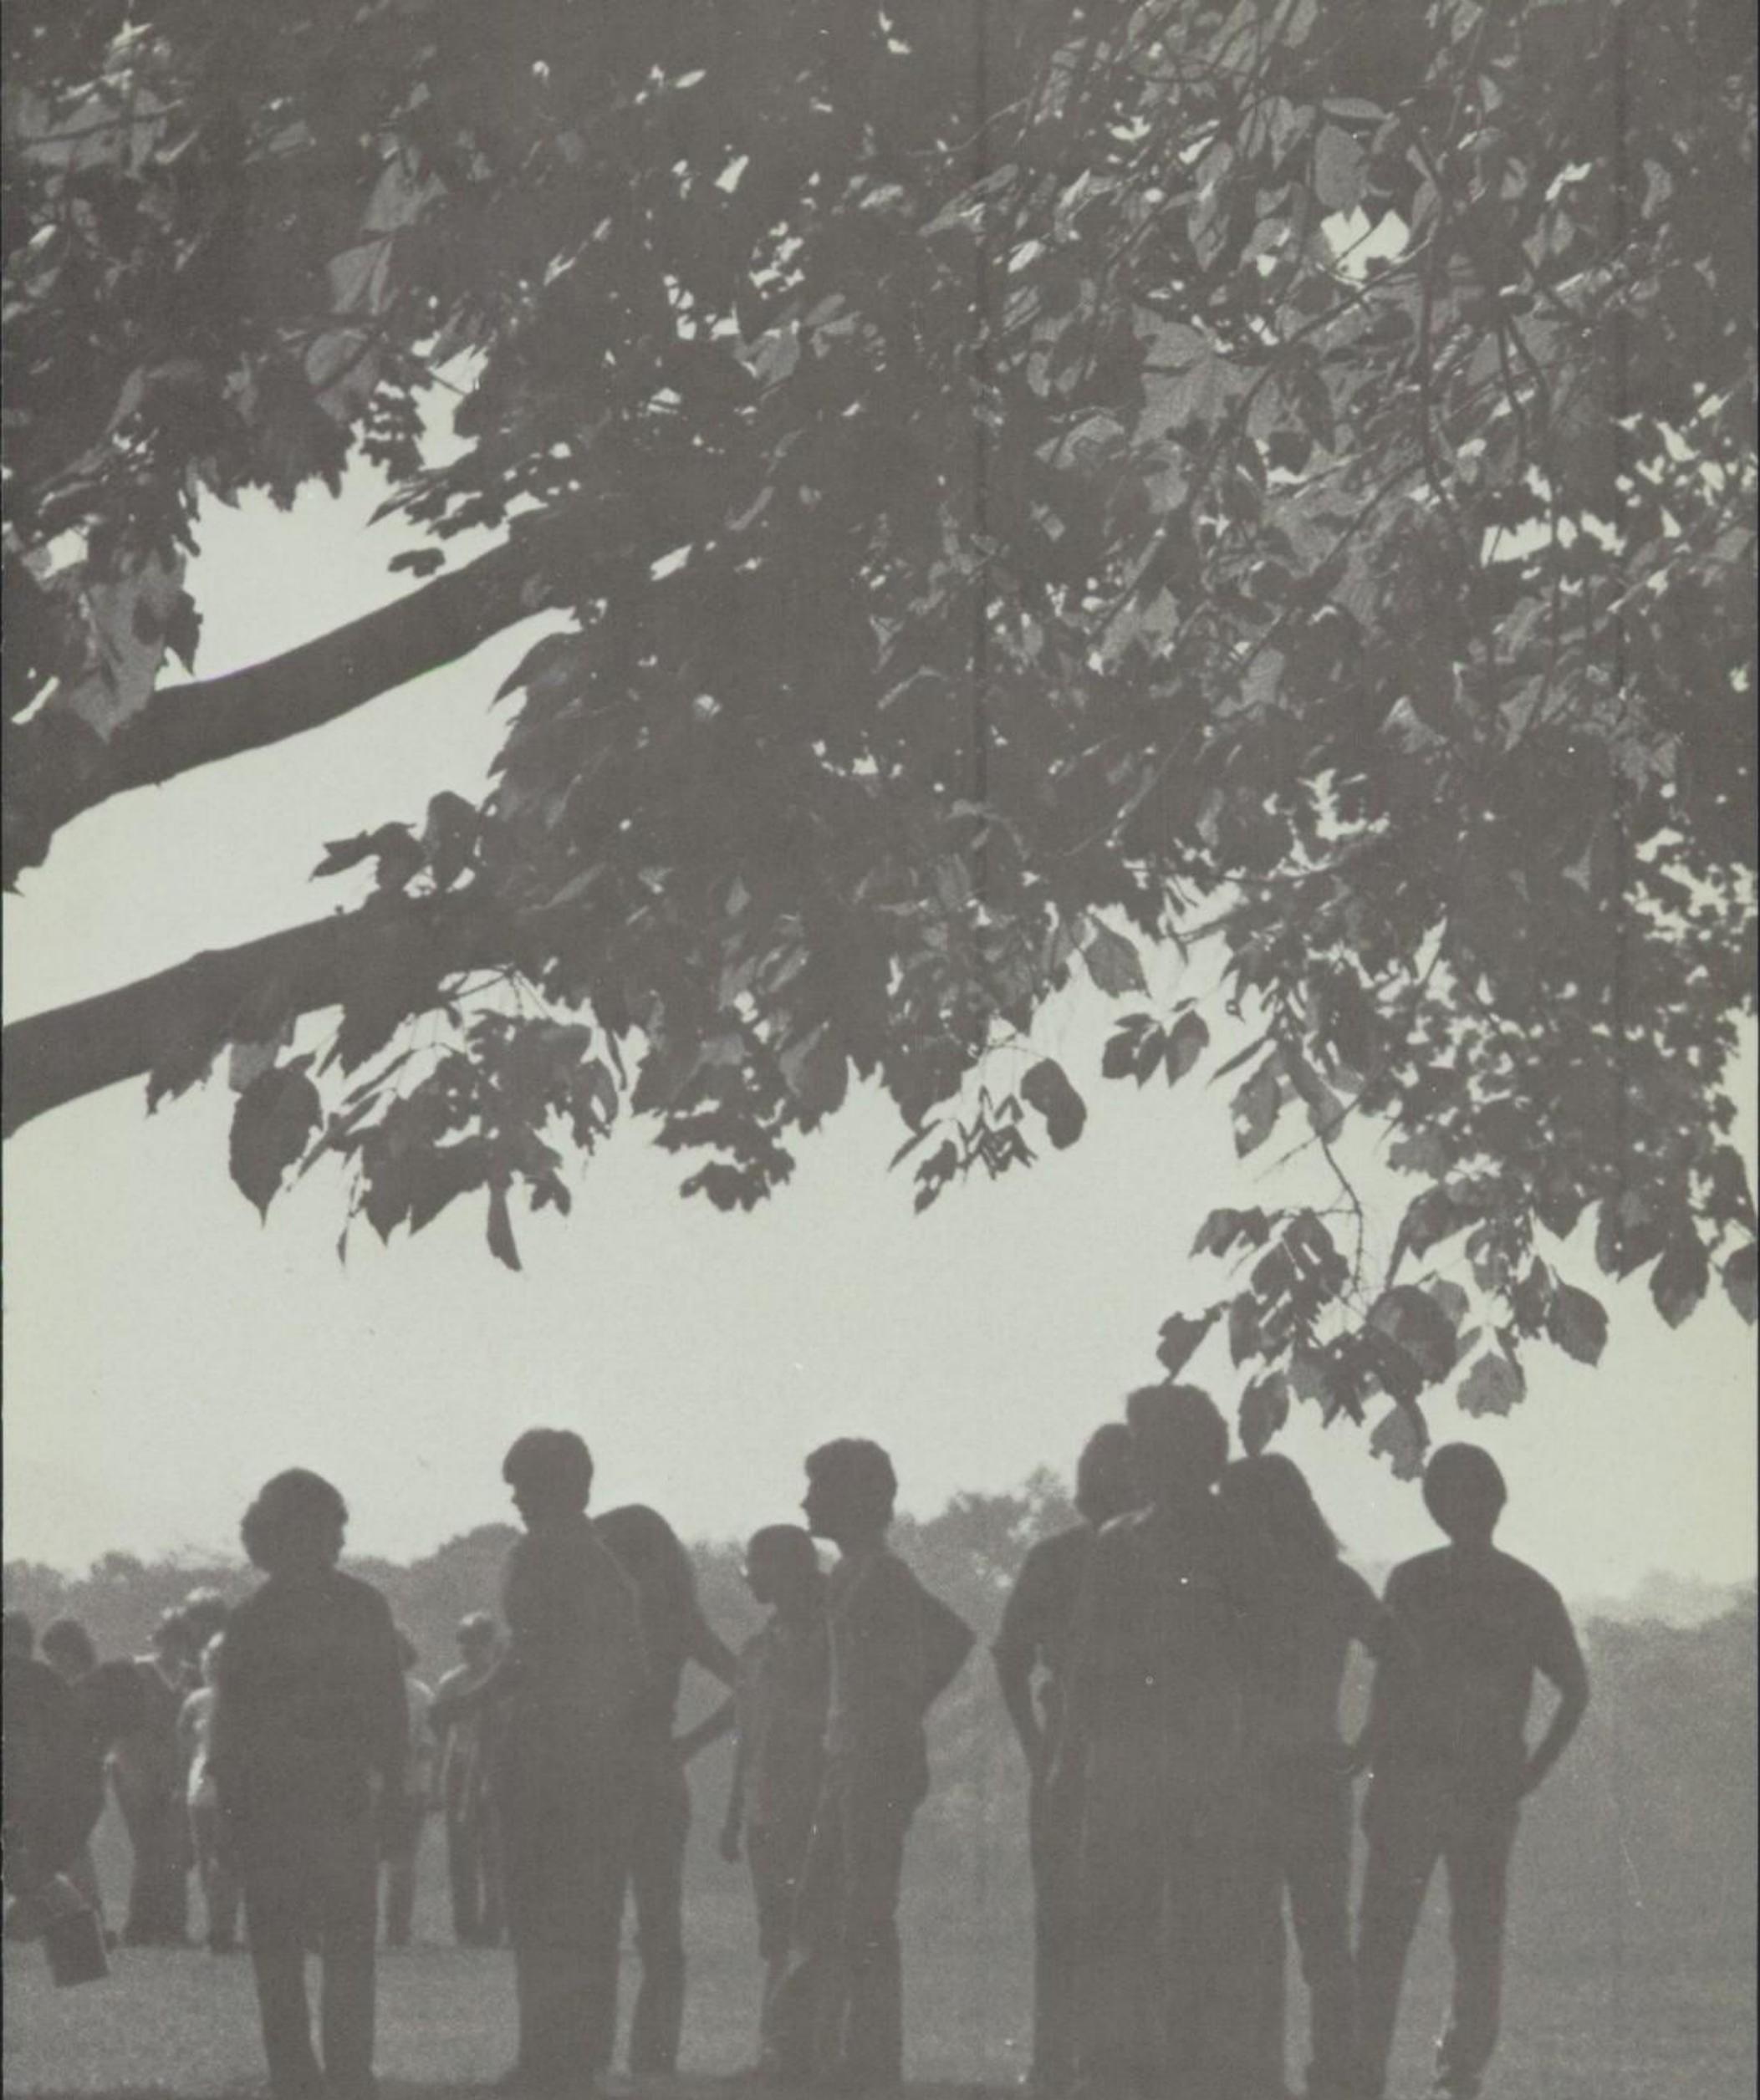

*Near the snow, near the sun, in the highest fields,
See how these names are feted by the waving grass
And by the streamers of white cloud
And whispers of wind in the listening sky.*

These doors are slowly closing and as I peek back I see how we have grown: learning to love others and to be loved. How to laugh, cry and sing, and how to work together. But most importantly we have learned to use all these together, constructively, to better ourselves and to help others.

We will remember these experiences ... they have become part of our lives.

Now I see that a new door has begun to open ... more working together, laughter and loving is to be explored and found.

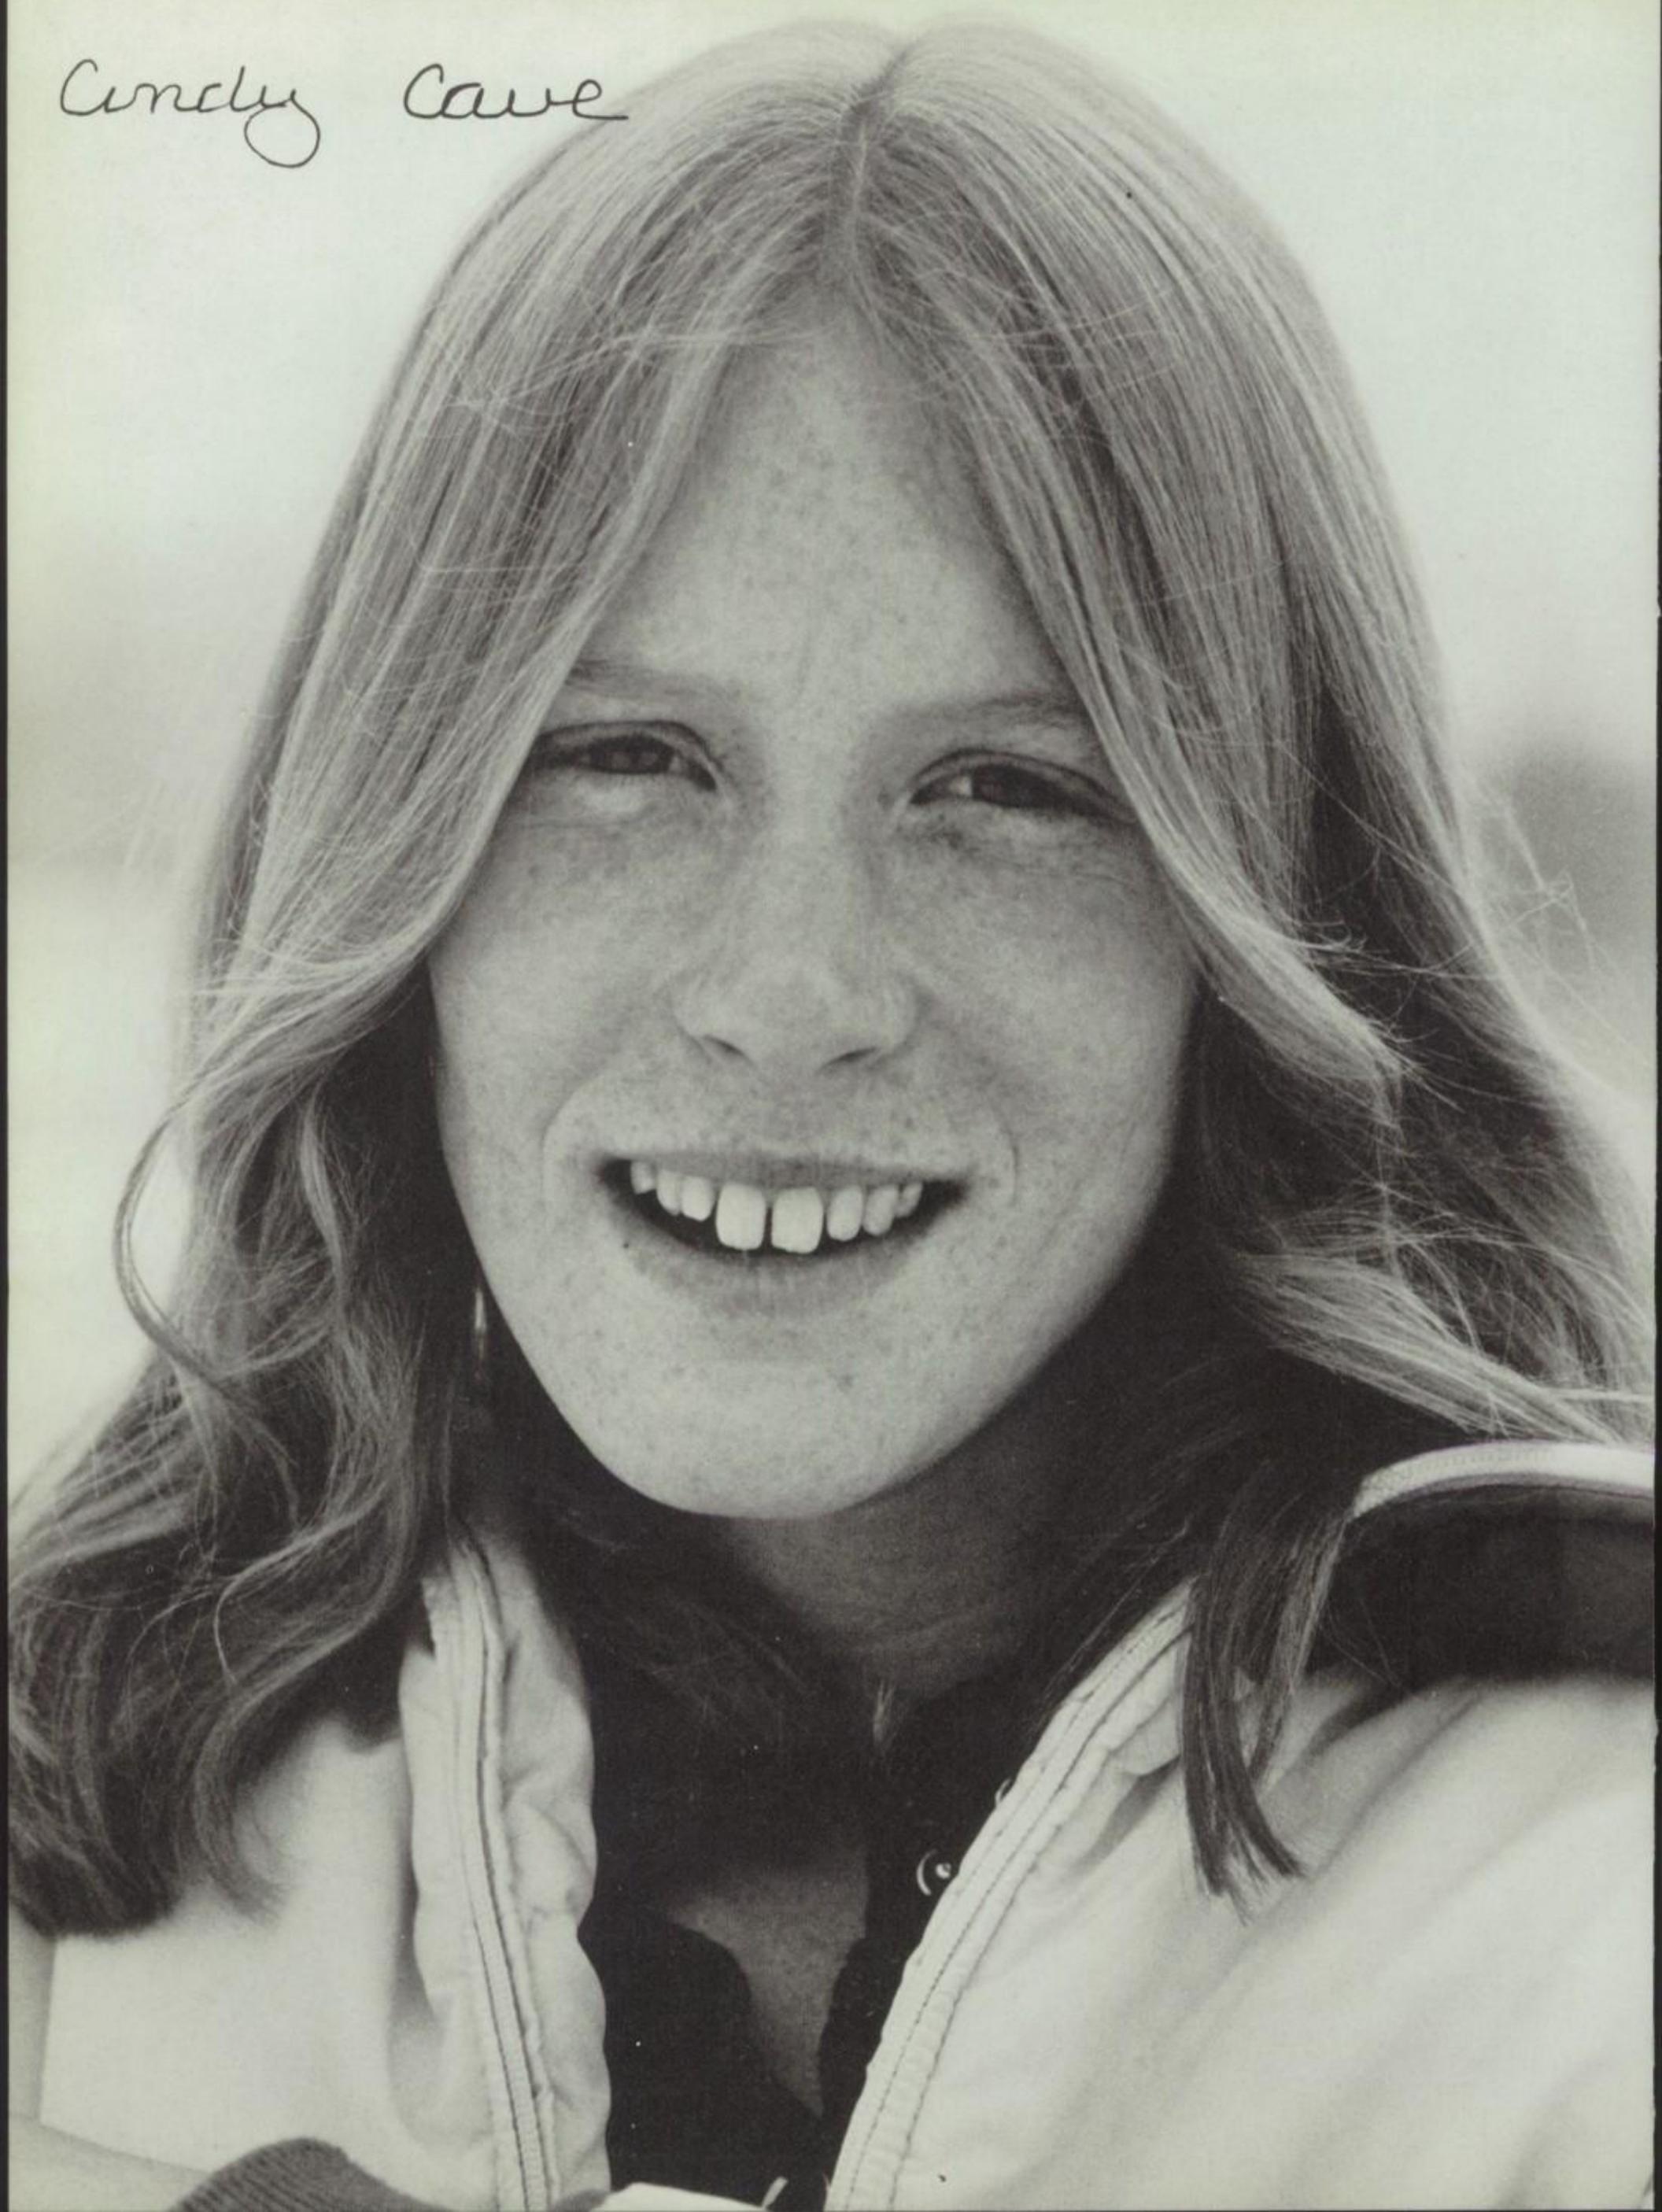

Good luck all.

KODAK SAFETY FILM

Everybody's searching for a hero, people need someone to look up to;
I never found anyone who fulfilled my needs.
A lonely place to be, so I learned to depend on me
I decided long ago, never to walk in anyone's shadow.
If I fail, if I succeed, at least I'll live as I believe
No matter what they take from me, they can't take away my dignity.
I've found the greatest love of all inside of me
Learning how to love yourself is the greatest love of all.

FAIRYTALES

When I was very young
I remember being sung
Stories from of old
Involving hoarded gold,
Of dragons and of kings
And many splendid things.

And now I look around
See broken glass upon the ground
And buildings old and worn
Sagging faces all forlorn;
No sparkling magic rings
And other splendid things.

This is what I see
Because we are not free.
What to us it seems
Were only childish dreams
Are the true reality
But this society
Will not let it be.

FIRST RATE SEASON FOR

This year's soccer team had a very successful season, ending with a record of 10-7. They captured the Jersey-Penn Conference Championship with two shutout victories over St. Mary's (5-0) and Moravian (3-0). The offense was carried mainly by M.V.P. winners Hays Williams, with 24 goals (a school record) and 9 assists, and Tom McKittrick with 14 goals and 16 assists. The M.I.P. honors went to Dwight Davis. Goaltenders John Atthowe and Keith Joffe played a key role in the Saints' success with 5 shut-outs and 157 saves. Captains Hays Williams and Tom McKittrick were both named to the Second All-Star Team.

"CINDERELLA SEASON" FOR

Forman and Johnson set winning pace

Gill St. Bernard's, for the first time in its history, had a Cross-Country team, and what a team! With losses to Dwight/Englewood, Newark Academy and Immaculata, the Gill runners were not faring too well with their 0 and 3 record. However, the runners took this 0-3 mark and ran against the Lord Stirling School (below). This was the turning point in the season, for they defeated them 19-39 and from then on, Gill was virtually unstoppable. Their record was 9 and 4 after that, defeating such powerhouses as Neuman Prep, Rutgers Prep, and Pennington, and getting revenge on Dwight/Englewood with a 33-53 spanking. Coach Tim Lowery took his 9-7 Cross-Country team to what proved to be the climax for the 1978 season, the State Championship at Delbarton. In this, the GSB team was ranked fifth out of 14 schools competing, with junior Chris Johnson becoming the only medal-winner

FIRST CROSS-COUNTRY TEAM

in GSB's Cross-Country history. GSB course record-holder Doug Forman finished 17th out of 88 runners in the States, but amazingly also finished in the top 5 in 10 of his 12 races! Chris Johnson finished in the top 5, 8 out of 9 times; Seth Walter in the top 10, in 13 out of 13 meets; Ted Wrigley in the top 10, 9 out of 13 meets.

FOOTBALL TEAM 4-5 ON SEASON

The G/SB football team once again pulled through with another good season. Things were looking good when Head Coach Gerald Cetrulo led his team to a 19-16 victory over Hamden Hall, a school G/SB had never beaten before. Overall, the team compiled a respectable 4 wins-5 loss season. Although the win-lose record didn't show it, there were some standouts among the G/SB team members. Junior Jeff Danglemajer rushed for 786 yards and averaged 6.4 yards a carry! Senior Ken Chaplin, who was injured during the season, had 19 receptions for 258 yards, averaging 13.6 yards per catch! Senior Pete Smith and Jeff Danglemajer outdistanced all tacklers on defense, Pete with 138 tackles and Jeff with 122. Senior Don Lovas had a fine season at quarterback, completing 39 out of 81 passes for a percentage of 48% completions.

Next year's football team will be hurting, for

Pete Smith, Don Lovas, Ken Chaplin, Jeff Smith, John Nodine, Bob Marookian, Josh Fowler, Dennis McCarrick and Rich Reutti will all be graduating. However, returning will be leading rusher Jeff Danglemajer and we are sure that Coach Cetrulo and staff will mold out another good Gill football season.

FIELD

"They who have the will to win "

Ever since the Gill School played their first field hockey game, it has been a tradition before each game to say, "She who has the will to win, cannot be beat — let's go!" The girls' hockey team this year had six returning players, three of whom had played Varsity last year. This gave the team a handicap since they had to build a new Varsity squad. They were a high-spirited group that played against skilled Varsity teams. Although our team won only one game, their dedication and enthusiasm could have made them win twenty.

The team's high scorer was Leanne Parkinson, and close behind her was freshman Martha Gelbein. Few of their games were tied and many were close; they missed four games by one point: against St. Elizabeth, Mo-town Beard, Purnell, and Montclair.

When the going got tough, the tough got going! The one game the girls won was the quarter-final game against Pennington. The game ended in a 2-2 tie, so a flick-off was the rule that decided the winner. At the end of the first flick-off the score was 3-3. Another flick-off was played. Pennington's last player was about to flick; the score was in our favor, 4-3. The ball was flicked and goalie Missy Torrence dove and blocked the ball — and the girls won the quarter-finals.

SAINTS' SEASON SLAMS HOME

Looking at the starting lineup of the GSB Boys' Varsity Basketball team, one might be disillusioned by the lack of height. How could a team with no one over 6'1" win these days? Well, don't ask Coach Mike Malone, because he'll just laugh and say, "Tradition." Whatever it was, the Saints somehow managed to overcome all obstacles and have an amazing season. Returning seniors Ronnie Jenkins, Don Lovas, Duane Maxwell and Jerry Morgan all played last year, and three of the four started. When you add Al Fialka, Kevin Moore, Jeff Dangelmajer and John Atthowe, how can you lose?

Disaster hit the Saints early on when Guard Ronnie Jenkins injured his ankle. But this was overshadowed by the domination of junior Jeff Dangelmajer on the court and his amazing 1000-point performance. The Saints looked good the whole season, especially when they defeated Ranney School for the Conference championship!

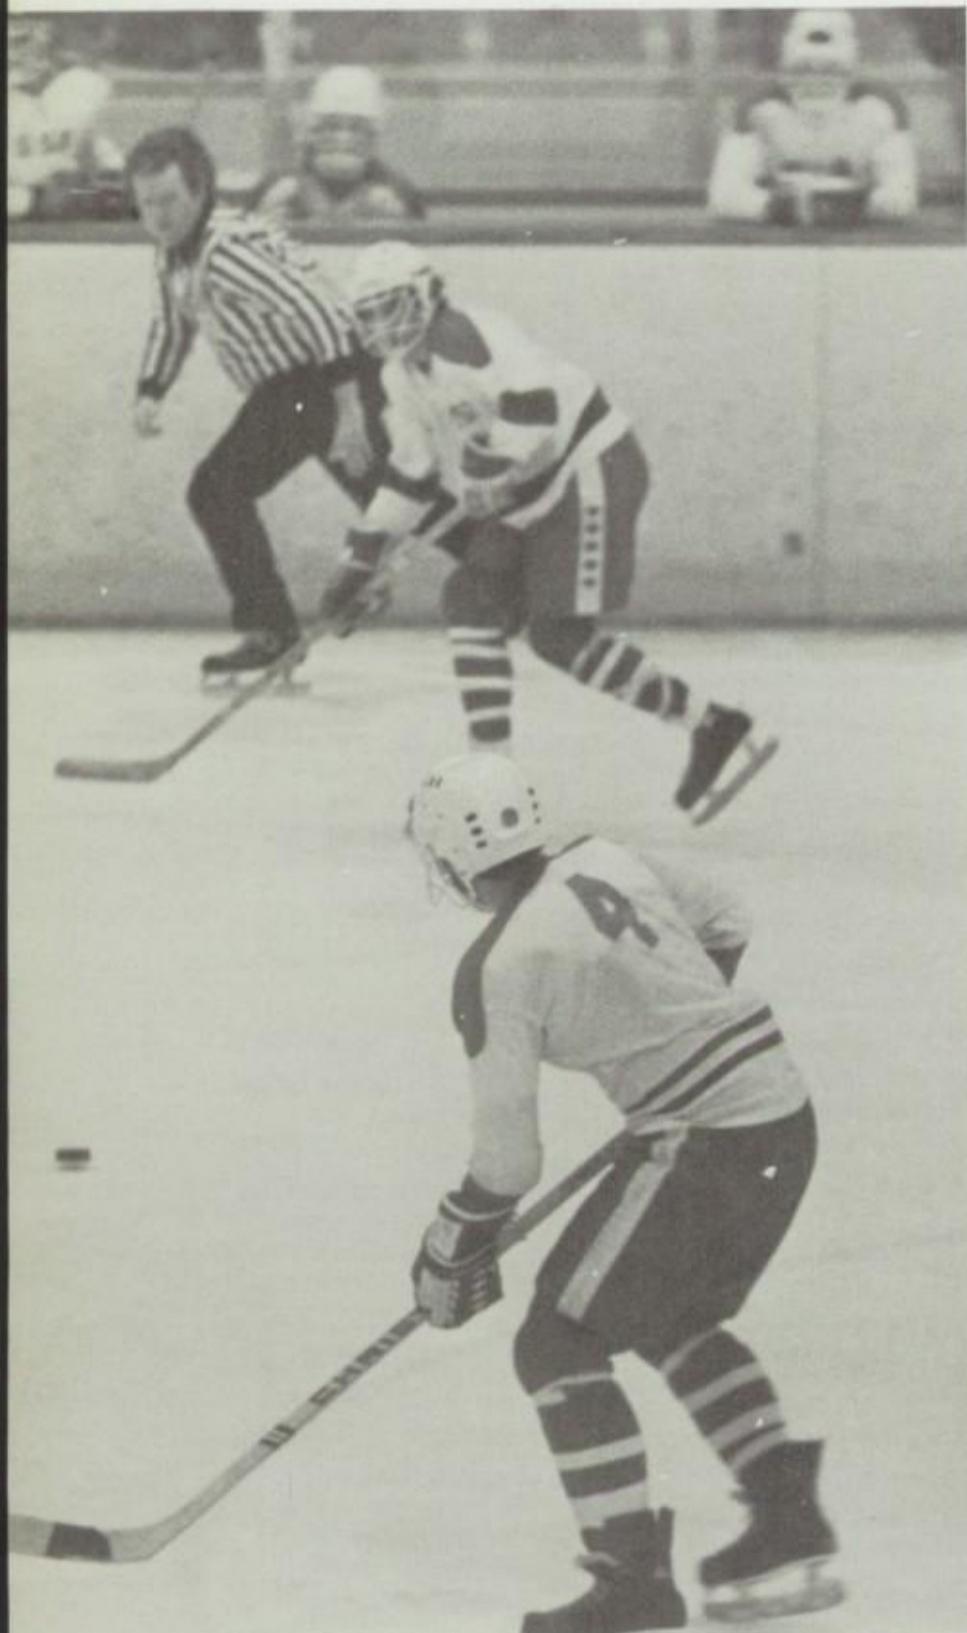

J.V. coach Tim Lowery led his Saints to an impressive 8-6 record this year, even though two key players (Al Fialka and Kevin Moore) were switched to Varsity for most of the season ... thanks to the high quality of play by Jermel Jenkins, Dennis Brazill, Peter Malcolm, Scott Keating, Biff Hobbie and Eddie Wolf. The season was highlighted by the defeats of Lord Stirling's and St. Francis' Varsity teams by our J.V.

When Jay Jenkins took over as first year Freshman Coach, it's beyond a doubt that he did not expect an 11-3 season. Ask Coach Jenkins and he'll say, "I've got my thing together."

The Girls' Varsity Team this year was very young, with only one returning Varsity player, Leanne Parkinson. They depended heavily on the freshman starters for points and ball control. Martha Gelbein led the attack with 193 points, and the team finished with a record of 9-12. Coach Joanne Chiavaro points with pride to two big wins over "A" Division schools and looks forward to a good season with next year's returning crew.

SUPERB SEASON FOR

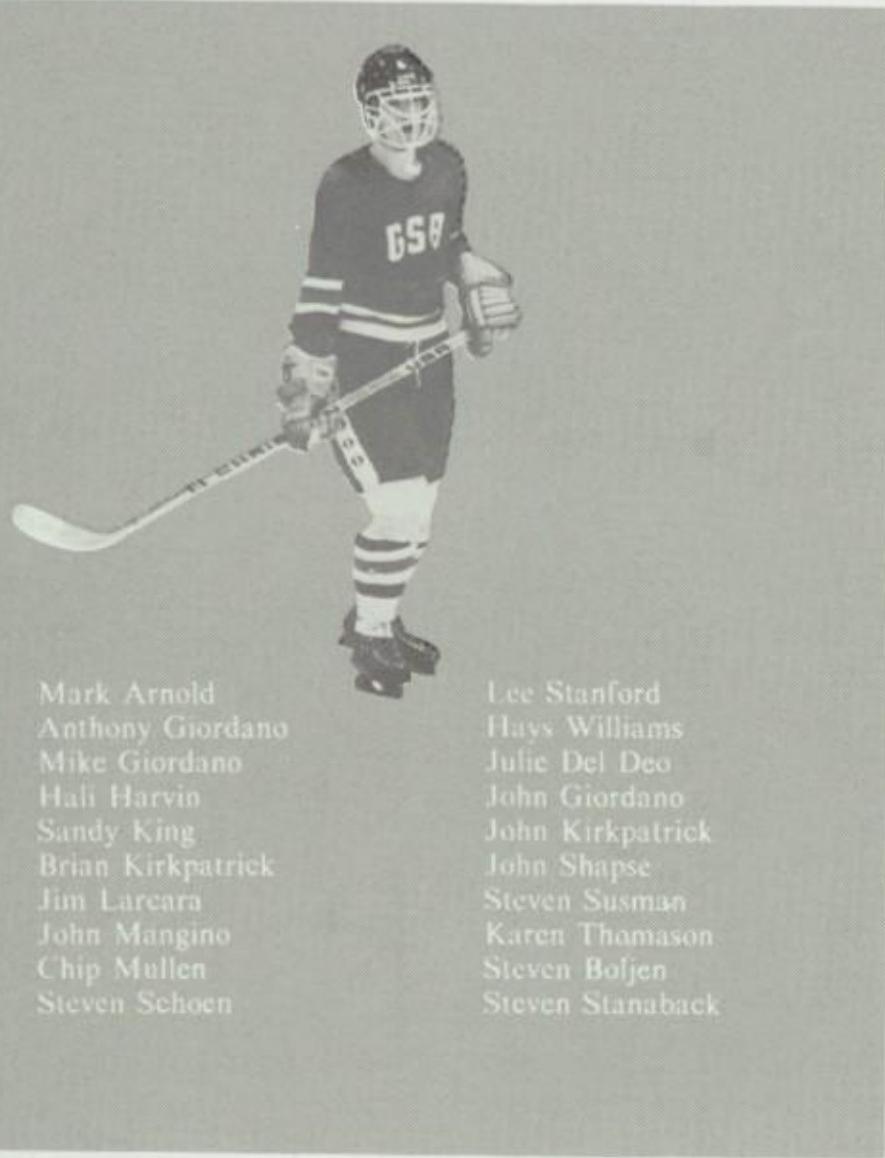

ICE HOCKEY

Rebounding from a disappointing year in 1978, Steve Boljen and Steven Stanabach coached the newly organized Saints to two shutout victories over Madison (11-0) and Newark Academy (3-0). The Saints, with only 13 starting players, impressed the league with their superb endurance and surprised them by skating to a 5-13-1 record.

Finishing third in their division, the Saints named Mark Arnold as M.V.P., Sandy King as M.I.P., and Hays Williams and Anthony Giordano as M.D.P.'s. This year, the Saints came out looking like a contender. Wait 'til next year — they'll be a threat!

This year's wrestling team suffered nine losses and came away with three victories — a building season. Paul Kelly, who won two of his matches coming back from a mid-season injury, was named M.I.P. along with freshman Andy Kapp. Kapp, Steve Frankel and Dave Manevich won an average of 30% of their matches. Brad Calamia, in his first year, was wrestling up a weight class and faced some tough competition. Co-captain Mike Inlander emerged with about a .500 average, and Pete Smith and Jim Katims (Most Dedicated) were outstanding with about 80% wins. Co-captain Tom Rizzo, the M.V.P., posted the best record with only one loss and eleven victories.

The high point of the season was against Blair Academy, as GSB grapplers outpointed two excellent teams, Montclair and Wyoming Seminary. Tom Rizzo pinned his previously undefeated man in the first period. Summing up a tough season, Coach Keith Edwards stated, "The only way we had to go was up. The team stuck it out. The kids had a lot of heart."
